</tbody>
</table>

(continued in next column)

---

**Note:** Completion of the Econ 378/388 sequence for the statistics requirement above will also count as fulfillment of one course in this track.

---

### Graduation Requirements:

- Minimum residence hours required: 30.0
- Minimum hours needed to graduate: 120.0

---

**FOR UNIVERSITY CORE AND PROGRAM QUESTIONS CONTACT THE ADVISEMENT CENTER**

*These classes may fill both University Core and program requirements (14–20 hours overlap)
Note: Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer terms. Taking fewer credits substantially increases the cost and the number of semesters to graduate.
