### MAJOR REQUIREMENTS (91 total hours)

**The following criteria have been established for acceptance and progression in the baccalaureate program:**

1. Be fully matriculated at BYU.
2. Acceptance into the nursing major is competitive and restricted to a limited number of openings each year. Not all students who meet the minimum requirements are guaranteed acceptance into the program. Applicants are evaluated on a variety of criteria using a point system. Admission criteria has included academic progression, written communication skills, community, school, and church service; and recommendations from employers and/or educators, and professional judgment of admissions committee. In the last three years, the average GPA of students accepted into the program has been from 3.71 to 3.93 with a range of 3.35 to 4.0.
3. Complete the following before beginning nursing courses:
   - Chem 285
   - Nurses 100
   - Nurses 180
   - PDbio 210 or 220
   - Psych 220 or SFL 210
   - Additional 16–20 hours from the University Core.
   - Note: Students may apply to the baccalaureate program during the semester they are completing prerequisite courses.
4. Students with English as a second language: Take the English Proficiency Examination offered by the Linguistics and English Language Department plus all ESL service courses as recommended by the examination outcome. Successfully complete Nurses 102. The college requires a TOEFL score of at least 580 (paper based) or 237 (computer based) or 92 (IBT).
5. Maintain a C grade or above in all nursing courses, including prerequisite and supporting courses. A C– does not allow advancement to the next course in the sequence.

**Note:** Notify the college advisement center before dropping or interrupting course work.

Spring/Summer Terms:

University Core electives

Total Hours 6–9.0

NOTE: Students are encouraged to complete an average of 14–15 credit hours each semester or 28–30 credit hours each year, which could include spring and/or summer terms. Taking fewer credits substantially increases the cost and the number of semesters to graduate.

FINANCING:

Many students work up to 20 hours per week. Some find employment in campus labs and some junior and senior students obtain research assistantships. Many students obtain summer jobs that make use of their training. Also, students can apply for scholarships. Scholarship information is available in the Nursing Advisement Center, (801) 422-4173.

STUDENT ORGANIZATION:
The Student Nurses Association (SNA) is an active student organization providing activities and service opportunities. Contact the Nursing Advisement Center for more information. (801) 422-4173.

ENGLISH AS A SECOND LANGUAGE:

Students with English as a second language must take the English Proficiency Examination offered by the Linguistics Department, plus all ESL service courses as recommended by the examination outcome.

Successfully complete Nurs 102. The college requires a TOEFL score of at least 580 (paper-based) or 237 (computer-based) or 9.3 (internet-based).

CLINICAL ASSIGNMENTS AND TRANSPORTATION:

Educational experiences are generally located in the Wasatch Front. Didactic courses are taught in Provo. Clinical experiences are generally in agencies throughout the Wasatch Front. Visits to agencies and client homes are also required. To achieve the best possible clinical education, students will need to travel throughout their course work. Access to a car is highly recommended. Students are responsible for their own transportation. Multi-cultural and international clinical experiences are also available.
