**THE DISCIPLINE:**
The Department of Visual Arts serves five main purposes:
1) preparing competent professionals in various fields of the plastic and graphic arts;
2) preparing qualified designers in problem solving of two- and three-dimensional applications;
3) training historians who can critically appraise works of art;
4) preparing art educators for teaching the visual arts at the elementary and secondary levels; and
5) generally developing the aesthetics sense of individuals by helping them experience art.

**NEW STUDENT APPLICATION DEADLINES:**

- Freshmen Enrollment: Apply April 1st or June 1st after completing CSAnm 150, VAAnm 131 and 160.
- Transfer Students: Transfer students in the Animation area should meet with a faculty advisor and participate in the April 1st or June 1st application review. Contact the department at (801) 422-8773 for more information.

- BFA with Licensure Option:
  - The BFA is a professional degree. Students majoring in animation may certify to teach in the public schools (K-12) concurrent with their BFA program. Please review the art education major requirements or contact the college advisement center.
  - Note: This is NOT a second major.

**Note:** This degree program requires a minimum of 120 hours for graduation. Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer term. Taking fewer credits substantially increases the cost and the number of semesters to graduate.
