**Note:** Students should declare or change major or minor prior to the second semester of their first year, and clear for graduation (recommended application is two semesters before graduation) prior to the last year of study.

#### 2014–2015

**ADVISEMENT:**

**HUMANITIES ADVISEMENT CENTER**

1175 JFSB, (801) 422-4789

- Declare or change major or minor
- Clear for graduation (recommended application is two semesters before graduation)
- GE, major, and transfer advisement
- Questions about university policies
- Clearance of CAC holds and adding over hours
- Graduation records
- Requirement sheets, correct ABC errors

### THE DISCIPLINE:

The Spanish and Portuguese romance languages and literatures dominate the Iberian Peninsula, major parts of Africa, and the southern portion of the new world from Mexico to the Magellan Straits. These languages, spoken by over 450 million people in twenty-one countries, provide a wide spectrum of cultural, linguistic, and literary variety.

Studying the Iberian roots of the population and learning about the people’s perception of life also brings greater understanding of their values and their struggle for identity. A Spanish or Portuguese major makes for a demanding, intriguing, and pleasurable experience.

### CAREERS:

Opportunities for Portuguese have been found in government service (translation, U.S. State Department, CIA, FBI, Border Patrol, Peace Corps, NSA, USIA), business, social work, airlines, banking, etc. Many majors go on to professional schools (law, medicine, dentistry, business, etc.), where a liberal arts background is advised. A strong minor or second major in the employment area is strongly advised.
