BS in PHYSICAL EDUCATION TEACHING/COACHING (K-12) (663423) MAP Sheet

Department of Teacher Education

For students entering the degree program during the 2014–2015 curricular year.

Students who are interested in the program should meet with the PETE program coordinator (249-D SFH) and Education Student Services (350 MCKB) in September of their sophomore year. Then they must complete the online application (found at [http://mylink.byu.edu](http://mylink.byu.edu)). Applications for the PETE program must be submitted by October 1 for Winter semester and February 1 for Fall semester.

This major is designed to prepare students to teach in public schools. In order to graduate with this major, students are required to complete Utah State Office of Education licensing requirements. To view these requirements go to [http://education.byu.edu/ess/licensing.html](http://education.byu.edu/ess/licensing.html) or contact Education Student Services, 350 MCKB, (801) 422-3426.

THE DISCIPLINE
Students preparing to teach physical education and/or coach will have a variety of experiences that will enhance proficiency in the knowledge and skills requisite to working in the contemporary school setting. Majors learn to perform a variety of sport, fitness, and dance activities personally. After becoming proficient, students take courses and have practical experiences in teaching and coaching children, adolescents, and adults. The discipline is interesting and rewarding, and those in a teaching/coaching career help others pursue and practice healthy lifestyle habits.

CAREER OPPORTUNITIES
Graduates seek teaching and physical education/coaching careers in elementary and secondary educational settings. With an advanced degree, teaching and coaching positions at institutions of higher learning are available. It is recommended that students desiring to be optimally employable in secondary schools complete an approved teaching minor.

Complete application for PETE Program (available online at http://mylink.byu.edu).

*Fall courses: PETE 335, 341, 342, 346

Please check with departments for current availability of all courses.

Note: Students are encouraged to complete an average of 16–17 credit hours each semester or 32–33 credit hours each year, which could include spring and/or summer terms. Taking fewer credits substantially increases the cost and the number of semesters to graduate.
