THE DISCIPLINE:

The study of theatre and media arts is truly a study of humankind and our attitudes toward ourselves. Since art is a mirror of human society, the specific disciplines of theatre and media arts cover our innermost attempts at comprehending our existence through all time.

THE EXPERIENCE:

The BFA acting program is designed to offer training for acting in film and theatre (contemporary through the classics), vocal production, phonetics, movement (yoga, masks, etc.) Participation in dozens of faculty, graduate-student, and undergraduate-student directed theatre and film projects provides the best possible forum for trying out these growing skills.

In addition, the department educates students in a basic foundation of dramatic literature, theatre history, collaboration, directing, playwriting, and all areas of theatre design technology and production.

AUDITION INFORMATION:

Preliminary auditions for admission to the major or merit scholarships for incoming freshmen or transfer students are held annually in February.

Preliminary auditions for current BYU students and final acceptance auditions are held at the end of each fall and winter semester. Non-transfer students who apply should have fewer than 60 hours of undergraduate credit.

The audition consists of two contrasting (one comedic and one dramatic) monologues from established scripts which show the student's range of ability. The monologues should allow the student to reveal basic honesty and objectives in character creation. Maximum time: three minutes total.

FINANCING OF EDUCATION:

The department offers assistantships in our scenic and costume studios, backstage in facility management, properties scenic art, and in the classroom and labs at various levels of responsibility. Merit scholarships are also available to both incoming and continuing students. Contact the Theatre and Media Arts Department for more information.

FACILITIES:

The Theatre and Media Arts Department is housed in BYU's Harris Fine Arts Center, which contains four full theatre spaces. The deJong Concert Hall is a 2,500-seat concert hall. The Pardoe Theatre is a 700-seat proscenium stage with a full revolve and fly system. The Margetts Arena Theatre is a varying-seat, black-box facility offering a creative theatrical environment. The Nelke Experimental Theatre is a 300-seat proscenium stage with an elevator stage; it is used principally for productions that are student directed, student designed, and student acted. The department also has its own scene shop, fully equipped to work in wood, metal, and plastics; costume shop; makeup lab, and computer drafting studio. Our department also affiliates with the LDS Motion Picture Studio, KBYU, and BYU-TV.

HONORARY SOCIETIES AND CLUBS:

The department is actively involved in the American College Theatre Festival, the Rocky Mountain Theater Association, the Utah Theatre Association, and the United States Institute of Theater Technology, with yearly conferences for faculty and students at various locations across the United States.

CAREER OPPORTUNITIES:

This program can lead to performances in theatre (regional or Broadway), feature film productions (Hollywood or independent), television (film, series, or commercials), radio (commercials, National Public Radio productions), industrials, instructional films, CD Roms, interactive media, voice overs (documentary, looping, or cartoons).

The BFA is focused to better prepare graduates to compete with other candidates for acceptance into regional theatre internships, professional acting schools, or graduate programs.
