## THE DISCIPLINE:

The Illustration Program prepares visual communicators to work in diverse publishing markets and genres including children's books, young adult fiction, genre fiction, graphic novels, ebooks, editorial, advertising, design, and corporate & institutional publications. Many illustrators work as concept designers, creating characters, environments, vehicles, and other digital artwork for entertainment productions. Other opportunities include licensed products, toys and collectibles, art galleries, festivals, conventions, online exhibitions, and private commissions. Illustrators often work in-house for production companies, in design studios or on a freelance or project basis.

## NEW STUDENT APPLICATIONS:

Students wishing to be admitted to the Illustration program for Fall semester should:

1. Declare themselves a pre-major with the College Advisement Center, D-444 HFAC.
2. Enroll in the freshman core and complete the following prerequisite courses: Des 111, 114, 115, and DESIL 131.
3. Apply to the BA program by the April 1<sup>st</sup> or August 1<sup>st</sup> application deadline.
4. Complete the sophomore BA courses: DESGD 243, DESIL 210, 250, 251.
5. Apply to the BFA program by the April 1<sup>st</sup> or August 1<sup>st</sup> deadline, choosing between the Illustration or Concept Design Tracks.

## Transfer Students

Transfer students applying for admittance to the Department of Design are asked to participate in a portfolio review by area faculty. Prospective transfer students should contact the faculty advisor listed below to arrange a review. Upon acceptance into the department, students are placed at the appropriate level of study at the discretion of the area faculty.

**Note:** This degree program requires a minimum of 120 hours for graduation. Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer term. Taking fewer credits substantially increases the cost and the number of semesters to graduate.

**Note:** Students may apply to the illustration program no more than twice. Transfer students not accepted into the BFA degree program may elect to enroll in the Design Bachelor of Arts program with an illustration emphasis. Admission to the department does not guarantee admission to Brigham Young University.

## TALENT AWARDS

All students are encouraged to apply for department Talent Awards by the February 1<sup>st</sup> deadline.

## BFA WITH LICENSURE OPTION

Illustration majors may also become licensed as K-12 art and design educators through the Art Education licensure program in the Department of Art. There are many opportunities for teachers with an illustration background. The licensure program prepares students for these opportunities through a series of courses which include student teaching. Please review the Art Education major requirement or contact the college advisement center.

**Note:** This is NOT a second major.
