

Welcome to the BYU Advisement Community!

We look forward to meeting and visiting with you further! Our monthly BYU Advisor In-Service meetings are held September to June, typically the 3rd Thursday each month, from 8:30am-9:50am. In these meetings, we are trained by experts on topics and issues related to our work with students, we showcase important resources and offices on campus, hear other advisors share best practices and updates on policies/procedures, discuss student development theory and helping skills, and network with advisors from across campus. We also have an annual Christmas Luncheon, an Advisor Retreat in the early spring, and occasional NACADA Webinars throughout the school year. **Information about campus advisement including our vision and mission statements can be found at: advisement.byu.edu**

Advising organizations and professional development conferences

UAA (Utah Advising Association)

Conference held annually in May at locations throughout Utah <http://www.utahadvising.org/>

UCDA (Utah chapter of National Career Development Association) Conference held annually, typically May <https://utahcda.org/>

NACADA (National Academic Advising Association)

Conference held annually, toward the beginning of October <https://www.nacada.ksu.edu/>

NCDA (National Career Development Association)

Conference held annually, usually the end of June or first of July <http://www.ncda.org>

BYU Career Engagement Conference

Held on campus in May

Kansas State University provides both an online certificate and Master's degree in Advising. BYU is committed to helping individuals professionalize as advisors, and some courses here on campus may be used.
