Candidates for Advanced Degrees  
Class of 2017

### SIGNIFICANCE OF THE ACADEMIC COSTUME

---

The significance of the academic costume is determined especially by the sleeves and hoods.

Doctors wear the round bell sleeve; the gown is faced down the front and barred on the sleeves with black velvet or color indicating the degree; the doctor's hood is large. The doctor may choose to wear the gold tassel on the cap.

Masters wear the long, closed sleeve, with a slit near the upper part of the arm; the master's hood is of more moderate size.

Bachelors wear the long or pointed sleeve. The color of the tassel indicates whether the degree is in the field of arts (white), fine arts (brown), music (pink), or science (golden yellow).
